

Applegate's Announcements

November 1, 2014

Hello!

I can not believe it is already time for the November letter! We have had a wonderful 1st Quarter. As we begin 2nd Quarter we continue to do well with our PBIS goals. We earned 29 Silver Spoons at lunch in October and get to display the Big Silver Spoon at our door. We also earned our 2nd Gold Paw by earning a total of 600 class and individual tickets!

Please be sure to send students dressed in their cold weather gear! We go outside everyday unless it is rainy.

Please let me know of any questions or concerns that you may have as we progress throughout this year together.

Take Care,

Mrs. Applegate

Report Cards

1st Quarter Report Cards will be sent home on November 5th. Please sign and return the envelope. The papers inside are for you to keep. Please let me know if you would like to schedule a conference. We can have an email or phone conference if that is easier for you.

Reminders

Multiplication tables should be reviewed each night. This is something that is to be practiced ALL YEAR. I recommend choosing one table (0-10) to practice to mastery. Just 5 minutes of practice a day can really make all the difference

Reading and discussing what has been read is VITAL in keeping on track in 3rd grade. This should be done everyday at home.

Academics

This month we will focus on the following topics:

Math: Multiplication and Division concepts

ELA: Expanding Our Understanding of Books in a Series and Opinion Writing

Science: Objects in the Sky

Social Studies: History and Colonial America
